Merry Christmas.....!

Still need last minute Christmas gifts?

Our range of Christmas gifts is selling fast but we still have a few Clarins and St Tropez gift sets left in stock, as well as some novelty lip glosses and tweezers. Miss the crowds and avoid queuing to park the car in town as we have plenty of free car parking here and we are open until 9pm Monday to Thursday, 7pm on Friday and on Saturday and Sunday too!

Or how about buying a Belmore Centre Gift Voucher? These can be purchased for a specific treatment or for any monetary value from £10 and above. Vouchers are valid for 6 months and can be used for beauty and relaxation treatments or retail products. Vouchers can be purchased either by calling in at the Centre or over the telephone using your Credit/Debit card.

Preparing for a party?

We still have some appointments left over the festive period so, if want to have a manicure or pedicure, spray tan or to glam yourself up in any other way, please give us a call and we will fit you in. Or if the stresses of preparing for Christmas are getting too much for you, why not take time out to treat yourself to a relaxing massage or session in our floatation tank?

Thinking about your New Year's resolution?

The Classic wrap from Universal Contour Wrap is a scientifically proven inch loss treatment that guarantees you will lose at least 6 inches in just 2 hours, making it the perfect solution when you have to look your best for that special occasion. Providing you follow the after-care advice, the 6 inch loss is also guaranteed to stay off for at least 30 days so you can be confident of looking great long after leaving the salon. This may sound too good to be true but with average losses of 10-14 inches from just one treatment, Universal Contour Wrap is the inch loss treatment you can trust. But the wrap doesn't just deliver exceptional inch loss; the unique clay formula and special wrapping techniques the therapists use also tighten and tone your body while exfoliating and cleansing the skin so you will not only look great, you'll feel fabulous too, after just one treatment!

So whether you are looking to kick-start a slimming plan or target a few stubborn inches, you can rely on Universal Contour Wrap to deliver instant results that will keep friends and family wondering how you do it! Price **£78** for a single wrap or **£210** for a course of 3 to maintain the inch loss!
