If you need a treatment for a special occasion over the festive season, whether it be a tan, manicure, pedicure or maybe a massage to help relieve the stress of preparing for Christmas, book early to make sure you get the appointment you want. We get booked up very quickly and we are already taking bookings into the New Year!

And if your thoughts are already turning to Christmas gifts, don't forget that, in addition to our extensive range of retail products, we also offer gift vouchers which can be purchased for specific treatments or for a value of money. Always a welcome gift, these can be purchased by calling at the Centre or over the telephone using your credit/debit card so that we can post the voucher to you.

We are very busy, especially at evenings and weekends so, if you need an appointment for a special occasion, please book well in advance to ensure you get the date and time you require and avoid disappointment. 01296 612361
